Dear Bob,

In the past few months, the Fremont & Dodge County CVB has received letters of resignation from two of its Board members, Greg Corns and Phil Carter, both due to job changes and relocations. The vacancy of the first seat by Greg Corns was advertised in February in all Dodge County newspapers and we received one letter of interest. At that time, the Advisory Board chose to continue in their search and not take action. After Phil Carters resignation in March, the then two vacancies were advertised in all Dodge County newspapers and we received five additional letters of interest. Four of the six people were able to be at the May 5th, 2010 meeting to share about themselves and answer questions from the Board.

At the conclusion of the May 5th, 2010 meeting, the Fremont & Dodge County CVB Advisory Board voted by secret ballot to nominate John Schmitz and Vince O'Connor to the Advisory Board to be voted on by the Dodge County Board of Supervisors. John Schmitz represents the Fremont Parks and Recreation Department and Vince O'Connor is owner of Yankee Peddler West and represents the Downtown Fremont antique shops.

Please advise the CVB Advisory Board of your vote on these nominees.

Sincerely,

Leslie Carter
Executive Director
Fremont & Dodge County CVB
